

Women Empowerment

VISION:

Empowering the women of the villages all over India!

Mission:

Increasing and improving the social, economic strength of the women, to ensure equal-rights to them.

1 year Goal:

Empower the women in Mulshi Taluka, Pune. To develop centres across Mulshi, currently active 2 centre and plan to develop in another 12 villages.

Action:

1. **Creating safe workplaces:** We have already started this is at Rishi Gurukulam at Katarkhadak. The school has employed more than 25 women from in and around villages and are provided with job assurance for 12 months a year.
2. **Women education:** Science of Silence Yoga program is offered so that they are more happy and joyous. We also organised training for Aanganwadi Teachers and trained them so that they can handle, children in more effective manner. ISP Infant SSY program for parenting.
3. **Job skills (Vocational training):** We have started vocational training in the area of Computer Management, Fashion accessories and jewelleryes, Mehndi, Bridal Makeup, Beauty Parlour course, artificial floral arts.
4. **Health and Hygiene:** Creating awareness on women health, pregnancy, child birth, hygiene and girl growth care. Even medical care and check-up camps are conducted.
